## ***Topic: Four Day School Week***

January 17, 2012

Dear Parents,

This year, we will be faced with the decision to change from a five day school week to a four day school week. It is important to attend at least one of the public hearing meetings in order to be informed and share your questions and opinions. The public hearing dates are as follows:

- January 18, 2012 ~ 6:00 to 8:00 p.m. in the SEPS Elementary Gym
- January 25, 2012 ~ 6:00 to 8:00 p.m. in the SEPS Elementary Gym
- January 30, 2012 ~ 6:00 to 8:00 p.m. in the SEPS Elementary Gym

After parents hear the information from the public meetings, St. Mary's Administration plans on offering two meetings for our parents so decisions can be made for next year. We ask that you attend one of the following meetings:

- Wednesday, February 15, 2012 ~ 6:30 to 8:00 p.m. in the SMS auditorium.
- Sunday, February 26, 2012 ~ 7:30 to 9:00 p.m. in the SMS auditorium.

Please write down questions on the form below and return them to the St. Mary's office. It will help our team of presenters research information and hopefully address the questions at the St. Mary's meetings .

Please pray to the Holy Spirit for guidance and wisdom regarding this important decision.

Sincerely,

Mary Gangelhoff
