

St. Mary's RECALL

A NEWSLETTER FOR ALUMNI AND FRIENDS OF ST. MARY'S SCHOOL, SLEEPY EYE, MN • VOLUME 35 • NUMBER 1 • SPRING 2019

ST. MARY'S PROUDLY PRESENTS ~ NEWSIES!

In 1899, New York City got its news from an army of ragtag orphans and runaways called newsies. One homeless New York City newsboy Jack Kelly (**Joseph Goedtke**, son of **David** and **Kathleen**) befriends two newcomers to his trade, Davey (**Kyle McKeown**, son of **Mike** and **Gina**) and Les (**Addie Hoffmann**, daughter of

Andy ('96) and **Heather (Heiderscheidt '96)**), who also dreams of a better life far from the hardship of the streets. However, when publisher Joseph Pulitzer (**Jacob Lux**, son of **Matt ('88)** and **Maria**) raises distribution prices - at the newsies' expense, making it harder for the young newspaper salesmen to make a buck, the boys go on strike and Jack finds a cause for which to fight. With the help of the beautiful female reporter, Katherine Plumber (**Gabby Helget**, daughter of **Bill ('93)** and **Jenny (Braulick '94)**), all of New York City soon recognizes the power of the "little man."

Newsies is based on the true story of the 1899 newsboys' strike.

Other notable appearances were made by Jack's optimistic best friend, Crutchie (**Jacob Stevens**, son of **Joel**

and **Jenny (Heiderscheidt '92)**); Manhattan Newsie, Race (**Carter Currans**, son of **Kevin** and **Marnee (Schwab '93)**) and talented theater performer, Medda (**Emily Stevens**, daughter of **Joel** and **Jenny**).

Directed by the talented **Geri (Carr '02) Pelzel**, this fast-paced, entertaining show was filled with outstanding musical numbers and incredible dance performances that brought our audience

straight into Jack's world of 1899 New York.

Gary Sassenberg choreographed the production, as he has for many years with dance captain **Amy (Surprenant '09) Bohnen** stepping in to assist this year. Vocal directors were **Rachel Moldan** and **Sean Connolly** with **Annette Lux** as sound tech advisor.

Congratulations to our cast and crew, consisting of about 52 students, and the directors for providing an amazing show to sold-out audiences on March 22, 23, and 24!

CARIBBEAN KNIGHTS PARTY 2019

St. Mary's Catholic School held its 4th annual Caribbean Knights Party on February 16, 2019, in the school gym and field house. Many attended another "treasured" event with great food, fun games, silent and live auction and entertainment by a Mariachi band! A huge thanks to the planning committee again this year: **Judd ('98) and Jen Walter, Tim ('99) and Cassie Schwartz, Brent and Rachel (Mathiowetz '02) Kucera, and Sam ('00) and Jessica Bloedow!**

Thank you to those who donated to the live and silent auctions, to those who helped in any way, to those who attended, made purchases, and enjoyed the festivities.

The proceeds from this year's party totalled \$141,030.31. These funds are used to increase enrollment and maintain affordable tuition at St. Mary's Catholic School. Included in the amount above is \$25,513.00 from fund-a-need that will be used for the wiring of the network infrastructure for the computers.

Congratulations to the raffle ticket winners: \$4,000 - **Wally ('74) and Kathy Jo Johns**; \$1,000- **Chad Armbruster ('02)**; \$500- **Janet Basballe and Joe Soukup ('69)**; \$100- **Scott**

Krzmarzick, Verna Schmidt, Cheryl Kiecker, John Scheidnes, S & J Construction (drawn 3 times), Nicole (Schumacher '00) Scheidnes, Taylor Mattison and George and Mary Peichel. Thank you to everyone who purchased raffle tickets.

The success of this event is a true testament to the love that people possess for St. Mary's Catholic School. May God bless you for your generosity. Mark your calendar to attend next year's Caribbean Knight Party on February 15, 2020. Thank you to **Jacki (Hillesheim '96) Kyllonen** for taking photos.

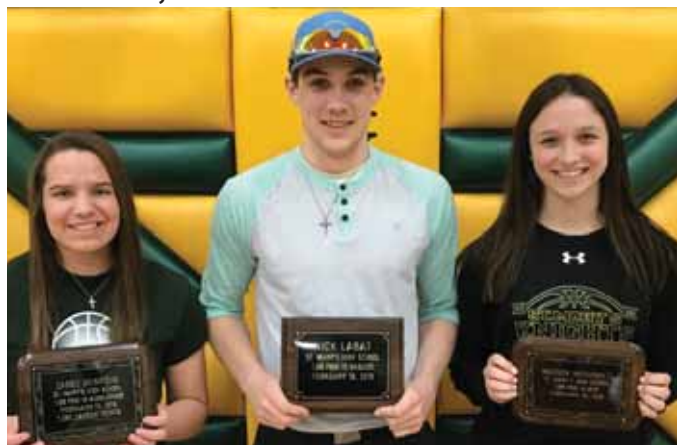

MISS SLEEPY EYE 2019

Congratulations to Miss Sleepy Eye 2019 **Callie Bohnen** and to her princesses **Anna Sellner** and **Liv Nelson**. Callie is the daughter of **Pat ('78)** and **Missy (Sellner '84) Bohnen**; Anna is the daughter of **Mike ('78)** and the late **Vicky Sellner**; and **Liv** is the daughter of **Beth Nelson** and **Blair Nelson**. These three ambassadors will spend the next year representing the community as they attend events in and around Sleepy Eye.

Congratulations to **Kelly ('00) Blick** who received the Honorary Commodore's Award for her service to the community and dedication to volunteering. Kelly is a member of the Miss Sleepy Eye Ambassador Organization which coordinates all aspects of the Miss Sleepy Eye program. Congratulations Kelly!

1,000 POINT SCORERS

Congratulations to these players who netted their 1,000 career point this past winter season: (left) senior **Cassie Heinrichs**, daughter of **Kris** and **Sara**; junior **Nick Labat**, son of **Craig** and **Tina (Schueller '95)**, and freshman **Madison Mathio-wetz**, daughter of **Matt ('04)** and **Brynn (Braulick '05)**. A complete listing of winter sports awards is available on the athletic page under activities on our school website: www.sesmschool.com.

STATE SCIENCE FAIR

Congratulations to the following seven St. Mary's students who participated in the 2019 State Science and Engineering Fair in Brooklyn Center on March 30 - 31, 2019: pictured above (left): **Sophie Kyllonen**, daughter of **Bruce** and **Jacki (Hillesheim '96)**; **Elizabeth Schwint**, daughter of **George ('97)** and **Deanna (Fuchs '98)**; **Natalie Marti**, daughter of **Dell** and **Cindy**; **Raj Sidhu** son of **Harcharn Singh** and **Harman Dhaliwal**; **Annika Nosbush**, daughter of **Brad** and **Sara**; **Kaden Ryer**, son of **Cameron** and **Christin**; and **Brayden Suess**, son of **Mike** and **Kristy (Forster '00)**.

Special Awards received were as follows:

*Sophie Kyllonen - Office of Naval Research Science Award (Medal, Certificate, \$75);

~ YES! TEAM AWARDED 1ST PLACE! ~

By Mary Beth (Sellner '76) Botz

Congratulations to the Sleepy Eye YES! Team on receiving the 2019 Regional 1st Place Award of \$500.00. The panel of judges felt that the team showed “deep understanding of criteria, used strategic action, and proved excellent success.” In addition, the judges commented on effective teamwork, strong community involvement, diversity of projects, and commitment to testing water quality.

The acronym YES!* stands for **Y**outh **E**co **S**olutions, and it highlights the program’s mission which aims to empower youth to create solutions to today’s ecological challenges through hands-on projects. From a Catholic perspective, YES! is a direct application of the Social Justice Theme Care for God’s Creation which urges us to “re-engage with our environment and take responsibility for it; live sustainably, live so that there are enough resources for everyone” (USCCB). Since joining the program in 2011, Sleepy Eye’s YES! Team is offered as a joint extracurricular between St. Mary’s Catholic and Sleepy Eye Public schools and has proven to be a productive eight year partnership.

Major community projects seem to choose the YES! Team rather than the other way around. For instance, one of the first projects came about when the public utilities director asked the team to replace incandescent light bulbs with more energy efficient lighting in three apartment complexes in Sleepy Eye. Soon afterwards, CERTs (Clean Energy Resource Teams) invited the YES! Team to enter B3 benchmarking data in the State of MN database. Next, an organization called Friends of the MN Valley recruited Sleepy Eye to collect water quality data on two Minnesota River tributaries for the MN Pollution Control Agency. More locally, Bob Rubey approached YES! with the idea of using the rough areas around Sleepy Eye golf course to attract monarch butterflies. The seed of that idea sprouted into partnership with the MN DNR and a native pollinator enthusiast and grew into a one acre prairie restoration project at the golf course. At about the same time, the manager of Ross Park Apartments requested that YES! Team plant a butterfly garden on the grounds for residents to enjoy. Most recently, the DNR regional wildlife manager asked if the team would be interested in helping with a much larger prairie restoration project on an 80 acre tract of land south

Yes! Team members: Seated (left) **Kira DeMaris**, daughter of Scott DeMaris and Mary Kay Bougie; **Gabby Helget**, daughter of Bill ('93) and Jenny (Braulick '94); **Alexa Owens**, daughter of Steve Owens and Wendy Owens; **Callie Bohnen**, daughter of Pat ('78) and Missy (Sellner '84); **Lauren Hoffmann**, daughter of Rusty ('91) and Tiffany (Bertrand '94); **Leah Weiss**, daughter of Karl and Jill (Schumacher '92) and **Hali Soukup**, daughter of Mike ('71) and Jane. 2nd row: **Emily Weiss**, daughter of Karl and Jill; **Mckenna Larson**, daughter of Chris and Vicky (Wurtzberger '93); **Emma Currans**, daughter of Kevin and Marnee (Schwab '93); **Megan Ahlness**, daughter of Jason and Sue; **Sydney Windschitl**, daughter of Jason and Barb; **Julia Helget**, daughter of Bill and Jenny; **Maddie Hose**, daughter of Ed and Judy (Braulick '85); **Katelyn Fromm**, daughter of Dennis ('84) and Sharon; **Meridan Andres**, daughter of Matt and Chris (Braun '96); 3rd row: **Rachel Sloot**, daughter of Vince and Kate; **Lorena Butler**, Brad and Wendy Carlson; **Caylee Seidl**, daughter of Mark Seidl and Becky Seidl-Vee; **Sara Zinniel**, Anna Sellner, daughter of **Michael ('78)** and the late Vicky; **Lexie Anderson**, daughter of Paul and Julie; **Cassie Heinrichs**, daughter of Kris and Sara; **Kendra Zuhlsdorf**, daughter of John Zuhlsdorf and Traci Zuhlsdorf; **Leah Schnobrich**, daughter of Tom and Lori Seitz; **Madesen Roberts**, daughter of Brian Roberts and Katie ('98) Trebesch; **Taylor Reinharts**, daughter of Scott and Darla and SMS advisor, **Mrs. Mary Beth Botz**.

of Sleepy Eye. These projects engage the students in a broad spectrum of efforts to solve ecological challenges.

The most basic ecological challenge, however, is to embed within people a lifestyle of stewardship. Many environmental problems would clear themselves or would not even exist if humans used resources wisely. Therefore, many hands-on YES! projects within the schools reinforce the adage: Reduce, Reuse, Recycle. For instance, teachers are encouraged to reuse one-sided worksheets and print on the back sides as well, each room and the end of hallways have recycle bins, fluorescent lights are replaced with LEDs, useable school supplies from locker clean-out at the end of the year are packed up and donated to various organizations, and hydration stations promote reusing a single water bottle rather than multiple plastic bottles. Hopefully, these stewardship practices become life-long habits.

In Sleepy Eye, Mrs. Deb Reinarts, science teacher at SEPS, and Mrs. Mary Beth Botz, science teacher at SMS, are co-advisors for the YES! Team. State-wide, YES! is a program of Prairie Woods Environmental Learning Center in partnership with Laurentian Environmental Center and Ney Nature Center. Major funding for the 2018-19 season is provided by the MN Environment and Natural Resources Trust Fund.

*Originally, YES! stood for Youth Energy Summit, which limited the vision to energy projects. The new name and logo were adopted in 2018.

REMEMBER ST. MARY'S CATHOLIC SCHOOL IN YOUR WILL

"How shall I make a return to the Lord for all the good He has done for me?" Psalms 116:12

Dear Alumni and Friends of St. Mary's School,

I am continually amazed at the dedication and commitment of so many to keep St. Mary's Catholic School viable. As you know, which I cannot repeat enough, we have a dedicated administrative staff, teaching staff, support staff, kitchen staff and janitorial staff who all work together to provide this wonderful opportunity

to our students from St. Mary's and the surrounding area. St. Mary's Catholic School is a great asset to our Parish, the broader Church and to our society at large.

Together we all work to provide the opportunity for our students not only to excel academically, but more importantly, opportunities to build character based on solid virtues and most of all a strong faith in the Church, the Body of Christ. This is an amazing task, both rewarding and challenging. We thank God repeatedly for giving us this amazing opportunity. With your continual support we strive to provide this opportunity allowing our students to truly be a light in our society. In Christ we can do all things. Let us continue to put our trust in Jesus who is the one who reveals God to us and brings us to God.

I wish to thank each and every one of you for your spiritual support by being prayer warriors for us and for the time you give as well as your financial support. May you be richly blessed.

Msgr. Eugene Lozinski,
Pastor-Superintendent
